Art Unit: 1651

Claims 1-29 and 31-44 are presented for reconsideration on the merits.

The amendment filed September 27, 2000, has been received and entered.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

1. Claims 1-29 and 31-44 remain rejected under 35 U.S.C. 102(a) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over Folkesson et al. of record.

Applicant's arguments filed September 27, 2000, have been fully considered but they are not persuasive. Whether a injury is direct or indirect its treatment would inherently be the same. Thus, the arguments are not deemed convincing.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CAR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CAR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
